

Sable Points Lighthouse Keepers Association

July E-News

Executive Director's Position

The Board of Directors of the Sable Points Lighthouse Keepers Association is accepting applications for the position of Executive Director of the Association. Interested members are encouraged to apply. While ads for this position will begin to appear this week in area newspapers, we are most hopeful of finding a member of the association who has a genuine interest in lighthouses and, particularly, in the lighthouses of Sable Points.

This is a half-time position with a varied work schedule that is most demanding during the months from April through November. Applicants should send an inquiry for additional information to splkaexecutivedirector@gmail.com. Upon receipt of the inquiry, applicants will be sent via e-mail a copy of the job description and instructions for submitting an application. The deadline for applications is August 22, 2008. Interviews will be held in Ludington on September 3 and 4.

Volunteer Keeper Applications for 2009

Members of the Association who wish to serve as volunteer keepers in 2009 may request application forms via e-mail to bspkla@t-one.net after August 15 or by calling 231-845-7343. Applications must be returned by October 4. First-time applicants will be interviewed on October 24 and 25 in Ludington. Returning keepers are not required to schedule interviews, but they must submit applications indicating their preferences and dates of availability.

Sable Points in the News

WZZM TV13 in Grand Rapids featured Big Sable in its "Weekend Adventure" series on the weekend of July 4. Use this link http://www.wzzm13.com/news/news_story.aspx?storyid=94897&catid=14 to view the video. It's the next best thing to a visit to Big Sable Point on a summer morning!

Help Another Lighthouse With a Click of Your Mouse

Grand Traverse Lighthouse is one of several finalists in a contest to receive free windows from Jeld-Wen Windows and Doors. Go to http://www.jeld-wen.com/lighthouse/index_vote.cfm to vote and help a Michigan lighthouse with its restoration plan.

Fall Newsletter

The print edition of the fall newsletter will be published this year in October. Members of the Association can look forward to an update on the summer projects under way at all three lighthouses and, we hope, an introduction to our new director.
